## Dr. D. Y. Patil

Founder President, D. Y. Patil Education Society

Dr. D. Y. Patil Agriculture Campus, Talsande a consortium of Principal, Teachers, Students, Farmers, Parents & Experts, who work together in mission mode with set goals and objectives, with commitment for the furtherance of Agriculture research, Education and Development. The college is constantly achieving the set goals and setting the benchmark for academic excellence. Demand for agriculture is rising rapidly with increase in population and ultimately it leads to growing demand for industry sector. There is thus, an urgent need to identify severity of problems, confronting agricultural sector to restore its vitality. The problems however are surmountable, particularly when new tools of science and technology have started offering tremendous opportunities in agriculture. For the economic upliftment of rural people, we had undertaken several activities for the farming community to augment productivity of crops, economic prosperity of the society, rural employment, conservation of diversity, linking farmers with markets and nutrition and livelihood options have been on centre stage.

I feel immensely proud with progress of our Institution and express best wishes for further bloom. Lets strive to make our Agriculture college the most modern institution by catering to the needs at local level and vision for global level.

## Dr. Sanjay D. Patil

President, D. Y. Patil Education Society

"We can not always build future for our youth, but we can build our youth for the future" These words by Franklin D Roosevelt Perfectly describe our aim at D. Y. Patil Agriculture Diploma, Talsande. Our aim is to teach students to LEARN not just STUDY. Hence we strive to travel beyond the boundaries of mere books. It is our fervent hope that the years you spend at our college would enable you to equip leadership and managerial skills. The knowledge that students will gain, the fine quality that students will imbibe and the technical skills that you will learn to apply will be their major contribution to their parents, to society and to nation. We invest our trust in you.

I wish to see the institution in top educational colleges in India and wish best of luck for them.

## Dr. A. K. Gupta

Executive Director, D. Y. Patil Group of Institutions, Kolhapur

I believe that the existence of every educational institute will continue only if that Institute makes the Student & Parent feel happy. The student & Parent will be happy only if they get their expectations fulfilled for which the student has taken an admission in the institute. This can be achieved only if every entity in an Institute works with their authorities executed 100% with the focus on quality. Our mission is to nurture students with high quality education by providing state of the art learning environment and relevant exposure towards industry and R&D organization in Agriculture sector.

The Agriculture Diploma, Talsande has played a significant role in the students overall development and consistently taking efforts to provide the best agriculture knowledge to students which will be beneficial for their growth.

Therefore I request everyone to come together in achieving the target of HAPPY STUDENT, HAPPY PARENT, and Most preferred Institute.
